## Helping you creatively change lives

Sydney Centre for Creative Change is a leading provider of continuing professional development in creative therapies in Australia. We offer you a broad range of workshops and courses, suitable for CPD for psychologists, social workers, counsellors and other allied health professionals and students who are interested in creative therapies.

We pride ourselves on giving you high quality experiential training and keep training groups under 16 people to give you more individualised support and learning.

## WellBeing Workshops

Open to all adults, these one day workshops provide reflective and active opportunities to imagine, create, write, colour, draw, collag , move and play. Join other like minded people who wish to fill their creative tanks with nurturing, energy, new ideas and inspiration.

These interactive days will be among the most fun you could have gaining personal and professional development!
